Americanism Committee Report Fall 2026

After a big effort to celebrate America's 250 in our communities, I want to thank all the clubs for their their participation and great ideas. I saw so many on social media doing things like bbqs, having the Museum in town, and celebrating on their floats for the 4th of July parades. I think it was good timing in our history to be sharing our pride in America and our Constitution.

In 2027 my plan is to focus on Making our Constitution Great Again.

Respectfully submitted.
Carolyn Atkinson, Committee Chair
