NEW MEXICO FEDERATION OF REPUBLICAN WOMEN

FALL MEETING – ROSWELL

OCTOBER 23-24, 2026

Supporting our Republican candidates and Federated Republican Meeting has been the primary focus since our June 2026 meeting in Albuquerque. Highlights of these activities included the following:

- Hosting Candidates for Office at our Monthly Luncheons
- Co-Hosting Informational Booths at the Pueblos of Santa Ana, Zia, Cochiti, Tesuque, and Nambe in their Pueblos to further the relationship between candidates and members of the pueblo during the months of July and August
- Co-Hosting Informational Booth at the Sandoval County Fair in Cuba, NM
- Co-Hosting Informational Booth at the Rio Rancho Sunday is Funday Kiwanis event
- Hosting a Meet and Greet for Candidates in Rio Rancho at the Mesa Contenta public park
- Assisting the Sandoval County Republican Party fold and prepare for mailing 6K mailers to churches in New Mexico for Candidate Ramona Goolsby
- Assisting the Sandoval County Republican Party prepare thousands of door hanging bags that contained candidate information, sample ballots, and American flags, segregated by Precincts for delivery to voters
- Delivered more than 300 door hanger bags to residents in Rio Rancho
- Members are serving as Presiding Judges, Poll Watchers, and Poll Challengers

In addition to these activities Board members hosted an afternoon tea for new members as a Get to Know You Better initiative. We are continuing to advertise and recruit new members. As evidence of those efforts, we were fortunate to receive the Liberty Brigade's Bridge Award and the Signers Circle Award over the summer. We will continue to plan

events of interest as a means to recruit new members. Unfortunately, we do anticipate losing members for the 2027 year.

The last highlight of the past three months is that we initiated our Newsletter, which is a work in progress. It is titled the Rio Rancho FRW Insider and the goal is to share information that members may not otherwise be aware of and to encourage collegiality. Using other chapters Newsletters as a guide has been extremely helpful.

In November, our Nominating Committee will submit their slate of Officers to the general membership with elections to be held during that luncheon.

During November we will also host a veteran, perform the Missing Man table, honor a special member, and host the President of the Rio Rancho Kiwanis club who has requested to be present for an award.

Praying for November elections to be the Red our State so desperately needs.

Respectfully submitted,

Anita Leivo

President, RRFRW
