Albuquerque Federated Republican Women Fall Report 2026

This has been a busy election year, and it is quickly coming to a close. Our club has worked hard to host candidates at our meetings so members could hear from them directly and ask questions. We have also distributed campaign materials at our meetings and shared them with friends and neighbors.

AFRW hosted a Get Out the Vote call night for gubernatorial candidate Greg Hull. Region B of NMFRW was invited to join us, and many calls were made. Soft Democrats and registered Republicans were contacted. A number of those we reached needed to be reminded that President Trump is not on the ticket this year and that we are voting for New Mexico. The evening was a good reminder of how important personal contact remains in these final days.

We are trying something new to encourage membership renewals. During the month of October, members who join or renew will receive a $5 discount on their 2027 dues. We hope this limited-time offer will prompt members to take advantage of it. Our annual membership drive will still be held in December.

We are looking forward to honoring New Mexico's veterans at our October meeting. We will hear from one of our own members, Reta King, who served in the U.S. Army Nurse Corps. A Vietnam veteran will join us as well, as well as Brock Wolf, CEO of the Veteran Integration Center. That organization helps homeless veterans get back on their feet. As a club, we continue to collect donations and nonperishable food items for the servicemen's food pantry at Kirtland Air Force Base.

We are grateful for the dedication of our members and remain committed to supporting our candidates and our community through the end of this election season and beyond.

Respectfully Submitted,

Sarah Jane Allen
President, Albuquerque Federated Republican Women
