Enchanted North FRW
2026 Fall Report

Throughout the summer, the Enchanted North FRW Club has remained steadfast in its commitment to civic engagement, community involvement, and the active support of Republican candidates and conservative causes.

The Enchanted North FRW Club was proud to host a candidate meet and greet event bringing together both statewide and local Republican candidates for an evening of meaningful dialogue and community connection. Members and community guests were given the opportunity to meet the candidates in person, hear directly about their platforms and priorities, and engage in thoughtful question and answer exchanges.

Our second candidate meet and greet event of the year our club was honored to host Ramona Goolsby, candidate for Secretary of State, and Warren Walton, candidate for Magistrate Judge, Division 2, both of whom spoke about their visions for their respective offices. In a delightful and well received surprise, conservative social media personality Jennifer Muskrat-Velarde made an appearance that electrified the room.

The Enchanted North FRW Club was proud to march in the Angel Fire 4th of July parade this summer, bringing a wave of patriotic spirit, enthusiasm, and Republican pride to our beloved community celebration.

This year, the Enchanted North FRW Club undertook a deeply meaningful fundraising effort in support of the Veterans' Healing and Wellness Center. The Center provides weeklong retreat experiences for veterans and first responders who are living with PTSD and other significant mental health challenges, offering them healing, community, and renewed purpose in a supportive environment. Our club's fundraising efforts reflect our deeply held conviction that those who have served our nation and our communities with courage and sacrifice deserve our unwavering gratitude and our active support.

With the election just around the corner, we have urged our members to continue their outreach by talking to our neighbors, to encourage friends and family to cast their ballots, and reminding everyone in our circles what is at stake in this election.

We are looking forward to our annual Christmas party where we gather as friends, celebrate the accomplishments we have shared, and enjoy each other’s fellowship. Alongside our Christmas celebration, the club will be conducting a membership drive, and we will encourage every member to extend a personal invitation to friends, neighbors, coworkers, and like-minded community members who share our values and our love for this country.
