NMFRW Summer Board Meeting Report

February 2026 - Paul Gessing, Rio Grande Foundation, was the guest speaker and presented on the challenges Republican's are facing in the current legislative session.

March's meeting of the Four Corners Federated Republican Women hosted all five candidates for Governor – Greg Hull, Doug Turner, Jim Ellison, Duke Rodriguez and Senator Steve Lanier. Attendance was over 160 people...all the candidates commented that this was beyond their expectations.

FCFRW hosted four Republican candidates for San Juan County Sheriff – Kevin Burns, Ken Christesen, Jon Nyce and Daniel Webb - in April. Again, attendance was over 150 people.

May's meeting had Lt. Governor candidates invited. Manny Larizabal attend in person, Aubry B. Dunn sent a video. We also hosted six candidates for three different judicial positions – District Court, Magistrate Court and Probate Court.

We were super excited to take a break from candidates and welcome NMFRW President Nancy Brenna and Regional Chair Denise Foor as our speakers in June.

FCFRW will have a booth at the San Juan County Fair in August.
