Club Report (2026)
Lincoln County Republican Women

What a long two years! We have survived the fires and floods. Thankfully no issues with either currently. But now our little mountain is fighting another battle. The loss of the racetrack, which has been a staple in Ruidoso since 1947. This generates over 150 million dollars in the short three-month season. We have businesses closing, people moving and record numbers of houses for sale. Through it all our small mighty group has managed to keep going and growing. We have 53 members and 16 associate members.

We continue to work with the Republican party of Lincoln County with fundraiser's, sharing floats for our local parades and getting the word out to VOTE! We had a barn dance, with a little "Boot Scootin", auction and fun. Our Lincoln Reagan dinner was a great success with 260 attendees! Our speaker was a wonderful young man who you might have seen on fox news or with his podcasts, Christian Hodges. What a breath of fresh air. It gave us hope for our young republicans.

We continue to get out and register voters. We proudly donated to 18 local and state candidates, with our hard-earned money. We concentrated on candidates this year at our monthly meetings. With "Didi" Okpareke breaking the record with attendees at our September meeting. What a great lady.

We are blessed with a tremendous board, and we all work together and better yet, we are like family. We have a great community and wonderful ladies in Lincoln County, come and join us some time, we meet the 4th Monday of every month. We would love to have you. Our October speaker will be our wonderful leader, Nancy Brenna.

This is just a touch of what we have been doing, stick around, we have plenty more to come.

Blessings,

Marci Butchofsky
President, Lincoln County Federated Republican Women
