

Rio Grande FRW – Summer Report

RGFRW hit the ground running with a Legislative breakfast in early January as we tried to sneak it in before the session began.

Prior to the Pre-primary Convention we held a Candidate Forum in Belen for our statewide candidates. Attendees were able to spend time with the Candidates before and after the forum asking questions and getting to know them.

We held a Membership Drive - Tea as we strove to achieve the Patriot Keepers Award, while we had fun our membership goal remained elusive.

In April we helped to support the SOS Forum put on by EIN-NM, our First Vice President brought the Freedom 250 truck to Belen, what a perfect way to learn about the founding of this country.

In May we headed up a Rapid Round Forum, an idea picked up from another club. Like speed dating our Local Candidates had 5 minutes to convince a group of attendees why they should vote for them. We held a dinner theater featuring Van Ann Moore and Andre Garcia in Mad About Love, a musical/comedy written and produced by Van Ann, a woman of amazing talent. We rounded off the month assisting the Belen VFW in a clean up effort at the Harvey House museum.

After attending multiple events, forums and debates we headed into the elections, of our 14 polling sites on election day, we had FRW members on staff at half of them. We spent June 13th assisting RPVC in a Flag Day celebration where local and state candidates stopped by to speak and join us for a picnic at a local park.

Our year has started off at a run, but we are not done yet!...
