Socorro County Federated Republican Women.

We held our Freedom 250 tailgate/car show and dance for the 4th of July. We had Nathaniel Krantz for the band. The car show was first for us and was a rousing success, we had 20 cars participate. We then had our annual Ice Cream Social in August with 100 guests in attendance including candidates. We are working headquarters giving out yards signs and trying to educate the voter. We are also getting ourselves ready for the holiday season and election of officers
