Zia Federated Republican Woman Fall Report 2026

The Zia Chapter has made it a priority to have all State Candidates speak to our members. Giving them the opportunity to ask questions of the candidates directly.

We had many local candidates running for House Districts. Stefani Lord, Jerry Truillo, David Adkins, Nicole Chavez, Janelle Garcia and Corey Zimmerman during the summer months. We also have two members that are running for House Districts 21 & 28. Robert Mason and Brenda Olson.

Zia continues to have meetings every month. We also updated our Bylaws using the NFRW Club template. We gained two new members over the summer.

Members have made calls for Gregg Hull and many local candidates, stuffed doorhangers. We attended various fundraisers for candidates. Members volunteered to work at the polls.

We continue to support Airmen at Kirtland AFB. We continue to send non-perishable food items to the Airmen's Pantry, as well as donating commissary gift cards monthly. We also supply 2,000 bottles of water for Memorial Day and Veterans Day events with monetary assistance from AFRW and San Bern.

Some of the other organizations we supported were the NM Dream Center (for Homeless teens), CASA, and The Boys and Girl Ranches.

We have worked with New Mexico Business Coalition, Better Together New Mexico and Americans for Prosperity to get our conservative message out.

We have also been speaking out to prevent a large Mosque being built in Albuquerque. After two county commissioner meetings an appeal will be made to District Court.

Respectfully submitted,

Denise Foor, Zia FRW President
