So many NMFRW members are busy. Are you? Women all over the state are leading clubs, arranging speakers, submitting memberships, helping candidates, raising funds, and interacting with the public. All in an effort to further our cause of promoting our Republican ideals and electing Republican candidates. If you are not busy, contact your President or one of the may campaigns. There is always something to do. Many hands make light work.

The Republican Party of New Mexico Quadrennial Convention was recently held with NMFRW members filling many seats. Seven members were elected as delegates to the National Republican Convention and more can attend as alternates.

Congratulations to Tina Dziuk, Rio Grande FRW, elected National Committee Woman (auto delegate); Delegates – Debbie Reynolds, Metro FRW; Jeanine Bingham-Kelly, Four Corners FRW President and NMFRW Member-at-Large; Sara Jane Allen, Albuquerque FRW; Daphne Orner, Metro FRW; Kimberly Skaggs, Dona Ana County FRW; and Yours Truly, Chaves County FRW and your NMFRW President. What an honor it is to represent our state when we nominate Donald J. Trump as our candidate for United States President.

Let's have some fun and support our candidates at the same time. On June 28th the NMFRW will be having their Summer meeting during the day and that night we will be having the NMFRW Gala. Funds will benefit our Republican US candidates and caucuses. The fundraising committee headed up by 3rd VP Anita Statman are doing a great job putting this together. It is going to take all of us reaching out to all your contacts and inviting them. Remember this benefits our candidates and supports getting them elected.

Y'all are amazing women. Keep up the great work.

Sincerely,
Teresa Barncastle
New Mexico Federation of Republican Women

Presidents Report

As your President, I had the privilege of attending the National Federation of Republican Women's Winter meeting in Alexandria, VA. While there we had our 'Ladies in Red' event at the US Senate building. Afterwards the Regents were invited to the RNC Washington DC Hqts. for a reception to meet Chairman Whatley and from Texas Republican Congressman Wesley Hunt. I was also able to glean an abundance of knowledge from our State Presidents' meeting and the reports from the Chairs.

The NMFRW Committee Chairs are very hard at work and I have been able to attend by zoom their committee meetings. Everyone should have heard about Family Month by now. Anne Doherty has been passionate about the success of this project and it shows. I sent the project information out to the other state presidents and we heard back from some with a very positive response. Once we get our US candidates elected, they can carry a national resolution.

The Fundraising Committee led by 3rd VP Anita Statman has met numerous times to plan the NMFRW Gala. Plans are coming together to have fun, food, drinks and entertainment. A silent auction is planned and fellowship will be felt everywhere.

This year I assisted the Scholarship Chair Cathy Walters when we awarded a scholarship to a deserving young lady. Next year she will be well versed on the procedure and be a great resource for years to come.

I was able to visit and speak at two clubs, Dona Ana FRW and Lea County FRW. At Dona Ana FRW I spoke about the NMFRW and was honored to introduce my daughter, Samantha Barncastle Salopek who is running for NM Senate District 38. A re-boot meeting was held for Lea County FRW where 12 more members joined and a new President was elected. I went back to Lea County FRW to install the new President. Additionally, I represented the NMFRW at several Chaves County FRW meetings. At one I presented a NMFRW Proclamation recognizing their 50th anniversary and at another meeting I

presented the NMFRW Scholarship to a Roswell student. I attended the Republican Party of New Mexico Convention where I was elected a delegate to the Republican National Convention to be held in Milwaukee in July.

In an effort to bring attention to the NMFRW, I was the guest speaker on the Mich Rich radio show on KOB 770am & 96.3FM. The focus of the show was to promote the NMFRW Gala 'A Night on the Right' and to highlight all the projects the NMFRW is involved in.

I still feel so blessed to be your President and will continue to dedicate my time and efforts to the NMFRW and our cause.

Respectfully submitted,
Teresa Barncastle,
President New Mexico Federation of Republican Women

The VP's Desks...

1st VP

My responsibilities as NMFRW 1st Vice President are to perform the duties of the president in her absence or inability to serve, be responsible for scheduling informative Republican speakers, and performing other such duties as may be assigned to me by the President.

With the direction of our state President and keeping with each conference theme, I have been able to secure speakers and help make arrangements for them to attend.

Serving as NMFRW 1st Vice President has been an honor and a very valuable learning experience.

Thank you,
Terra Fullbright
NMFRW 1st Vice President

2nd VP

Despite not being able to attend the NMFRW Winter 2024 meeting I was able to share a worksheet for individual club's use: Keeping Clubs Functioning, Engaged, and Growing. Later in April I sent a document to club presidents that contained 10 Ideas for Membership.

On April 22, I visited the Lincoln County FRW club along with traveling companion Carolyn Atkinson. We both received a warm welcome from the Ruidoso ladies, and a visit with membership chair, Cynthia Black, on their increased membership numbers for 2024.

On April 27, I attended the Los Alamos FRW annual tea event, The Jubilee Tea, which commemorated their 70th Anniversary as a club. In honor of this accomplishment, I read a proclamation from the NMFRW.

Traveling home from Los Alamos I stopped to meet with FRW presidents and Cindi Runyon, club president and Region B Director, for brunch. We talked about membership strategies and a variety of random things that different club presidents do with their clubs. So many good ideas were shared around the table that we all took notes fast and furiously.

Great news for NMFRW membership is that, as a state, we have beat our totals of last year at the end of June.

(continued on next column)

Numbers by region are:

Region A (Sadie Boyer-Reg Director, 4 clubs)	138
Region B (Cindi Runyon-Reg Director, 7 clubs)	335
Region C (Shona Neff-Reg Director, 2 clubs)	112
Region D (Jeanine Best- Reg Director, 4 clubs)	244
TOTAL	829

Now it is time to exceed that number with gusto as we look toward the end of 2024. Special shout out to Marci Butchofsky, president of the Lincoln County ladies and new Lea County club president, Megan Mooney, for their respective clubs' exceptional growth in 2024.

Lastly, I will provide more information on this later and via email, but I would like to do a 3x5 Card Survey with all the clubs in the state. Lincoln County allowed me to test the first one on them, and I was able to measure result from Seasoned Members (Why they STAY members) and with New Members (Why they JOINED). That's all I'll say for now, but be watching for this to be rolled out soon so that club and state leaders will have an idea of what really draws ladies to our organization. We may even find out things we never thought of. So, stay tuned!!

In March the committee adopted the following goals:

Help Republicans in NM win positions in the NM legislature in 2024.

Help Republicans in NM win positions in Congress in 2024.

Help NMFRW members win their races in 2024.

Raise money for NMFRW core operations in 2025.

Raise money for Veterans cause in 2025.

To achieve these goals in 2024 we are planning:

Regional events to be co-branded by us with

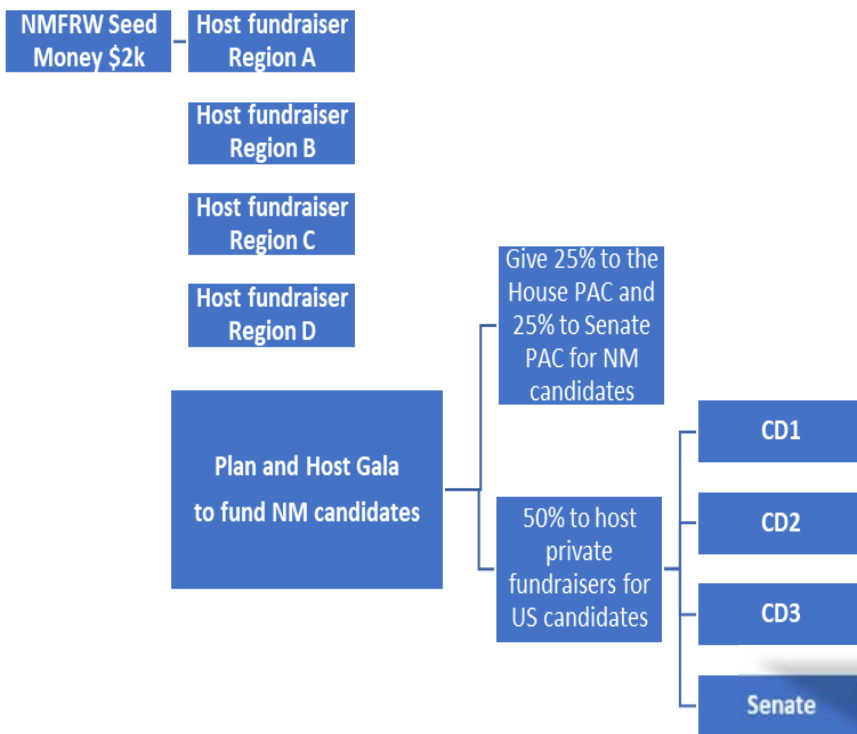

(Continued on next page)

local FRW club (Region D declines because there is no competition in general election) to bring attention and funds to candidates for state house/senate.

A big summer Gala—here we are!

Hosting local fundraisers for candidates for federal office with proceeds from summer Gala.

NMFRW 2024 Fundraising Activities

We held bi-weekly and then weekly zoom meetings since February 15th to organize and plan the Gala. I want to personally thank Teresa Barncastle for her leadership and Joan Boue, Heather Curtis and Anise Golden-Morper for serving on the state fundraising committee.

I also want to thank the Region B leadership by Cyndi Runyon and several Region B club presidents and officers to include Maura Jans, Nancy Jinks, Anita Leivo, Reta King, Denise Foor, Barbara McClain and Jillian White.

To facilitate future fundraising the NMFRW needs more outreach tools:

We rely heavily on emailing FRW and GOP club members. We should purchase ability to use mass texting as well.

We would have benefitted from a team of at least 10 volunteers to email, telephone, and text prospective attendees.

We employed Valordigital (Caleb Guerrero) to help us with digital marketing. He called every FRW and GOP

office to get our poster on local web pages and FB pages. And he worked with Cyndi to develop our 'ad strategy.' Facebook ads were purchased to market the Gala to the public.

We had over 7000 views, 200 people interacted with the site (comments, shares), and 75 people clicked on the NMFRW ad.

We learned we needed a longer lead time of at least 3 months to effectively test the ad strategy.

Respectfully submitted,
Anita Statman, 3rd VP for Fundraising 6/25/24

The NM Republican Party held its State Central Committee and Quadrennial Convention on April 27th in Albuquerque, NM.

The State Central Committee voted to postpone voting on any rules until the fall meeting.

The 2024 Quadrennial Convention was called to order by Chairman Steve Pearce with over 700 attendees present.

The guest speaker was Congressman Wesley Hunt from Texas. He gave a very inspiring talk on why he is a Republican and rallied all of the crowd to get out the vote in November. Yvette Herrell also spoke about her campaign.

Members at Large (Continued)

The next item on the agenda was the election of National Committeeman and Committeewoman. Jim Townsend was elected unanimously. Current Committeewoman Tina Dzuik and Sara Jane Allen ran for the Committeewoman position. Tina was re-elected and will continue to represent NM. We also elected the Delegates and Alternates to represent NM at the Republican National Convention in Milwaukee, WI in July. They will nominate Donald Trump for President.

There were a number of NMFRW members present at the convention. I would like to encourage more of our members to become active in this process. It is exciting and you get to participate in how the process works

I attended the State Central Committee meeting and the Pre-Primary Convention on March 2nd in Albuquerque. At the State Central Committee Kimberly Skaggs was elected as Treasurer and Congressional District 1 was the only contested primary race and both Steve Jones and Louie Sanchez received enough votes to be on the primary ballot.

I also attended the Quadrennial Convention on April 27th in Albuquerque. The proposed rule changes were tabled at the State Central Committee meeting. 19 delegates to the Republican National Convention in Milwaukee beginning on July 15th were elected and 8 FRW members will be attending the convention as delegates.

The FRW Clubs in Region A and their Presidents are:

Enchanted North FRW – Terra Fullbright
Los Alamos FRW – Diane Coane
Santa Fe FRW –Anne Doherty
Taos FRW – Sadie F. Boyer

Region A covers the following counties: Taos, Colfax, Union, Harding, Mora, Santa Fe, Los Alamos, San Miguel, Quay, Guadalupe and Torrance Counties. Right now we have clubs in Taos, Colfax, Santa Fe and Los Alamos Counties. I am working towards my goal in reaching out to Registered Republican Women in the above counties and to help organize a club. I met with Rhonda Trambly from Mora, NM and we are working on a date to meet with a group of interested Republican Women in Mora.

I have had several phone conferences with Diane Coane, (Los Alamos FRW) and Terra Fullbright (Enchanted North FRW) and remain available. I also provided assistance to Diane Dunlap, 2nd VP of Santa Fe FRW on a question she had concerning a budget for Membership Recruitment and Retention. I am also working with Anita Statman on a Region A Event.

I am available to answer questions or give presentations. As part of my role I will be visiting each club as often as necessary.

Hello from Valencia County

I regret that I am unable to provide a Region B report this summer. I did not receive the numbers for every club and our fundraiser is on hold due to conflict over location and whether to serve alcohol at the event.

I apologize for my failure and will be 100% engaged for the fall. Come hell or high water

This has been a challenging year for me with three major transitions, family growth and loss, and getting COVID twice.

I simply could not regain lost ground in time to present a report

I am happy to serve in this positions and look forward to re-gaining communication and action within Valencia, Bernalillo, Sandoval and Farmington County Clubs.

Region C has been pretty quiet since the Winter 2024 meeting in January. It is especially great to have Gail Tripp actively back at the helm of the Socorro FRW club.

There hasn't been much going on in the area of starting new

clubs, but both T or C, in Sierra County, and Deming, in Luna County, are on the radar. I did make contact with the county GOP Chair in T or C. She was excited to hear from me as she used to be an active FRW member when she lived in Albuquerque. However, this being an election year, county leadership seems to be deep in the election cycle, so I will probably reach out to potential clubs after the 2024 elections.

As Region D Director I have contacted the Roosevelt County Republican Party Chair, Angie Smith. I am waiting for a time & place to meet about starting a NMFRW Club.

Lea County FRW has been on hold. President Teresa Barncastle did call a meeting with these ladies about restarting this club. I shall have Teresa give the report on that meeting.

Americanism

I am presenting a brochure for the Board's review that I would like to distribute to all the clubs around the state to hand out at any event where they have a table, such as fairs, farmers markets etc. The brochure is about our American flag, how to display it properly, a bit of history, and where to dispose of it.

I think it would benefit our communities to be reminded that our flag is special and benefit the NMFRW with our name and web address on the back.

I am unsure of the cost and would like to find out from the state membership if anyone knows any patriotic printers who want to support flag education and our organization. ?????

I will have samples for everyone to see.

Campaign/Political Education

Now that the primary is over, it is time to get busy training again.

In March Dianne invited us to Los Alamos to hold a training on sidekick and GOP Data Center, and in Valencia County our first training session for Challengers was held right before the primary.

The Republican Party is pushing “Get Out the Vote” and we have a place in it. Only 22% of voters in New Mexico voted in the primary. While I think there will be more interest (and possibly more controversy) in the General election we need to push our friends and neighbors to get out and vote. Encouraging voters to get out early assures them they have the opportunity cast their ballots for the candidates of their choice but, they may need to

(Campaign/Political Education continued)

be reassured their votes will count. Absentee ballots are more of a challenge. While convenient, with the problems the postal service has, it may not be the most efficient way for the voter. Some voters don't receive ballots they requested, some forget they received them and return them too late. Others don't leave enough time for them to make it to a sorting city in another state and back to be counted.

A major concern across the county is ensuring that only US Citizens participate in federal elections. Governmental agencies including the Border Patrol are being required to register eligible voters that they come in contact with to vote. Senator Mike Lee (R-UT) and Representative Chip Roy (R-TX) have introduced the Safe-guard American Voter Eligibility (SAVE) Act. With the massive influx of illegal aliens crossing our borders coupled with the passage of laws requiring government agencies to become voter registrars and laws prohibiting registrars from asking for proof of Citizenship it becomes difficult to know if non-citizens are being registered to vote. The SAVE Act requires states to verify US Citizenship, compels states to purge non-citizens from voter rolls and establishes federal penalties for intentionally registering non-citizens while requiring states to set up alternative verification processes for citizens without standard documents. Voting is a right and a responsibility of American citizenship and it is our responsibility to protect the integrity of our electoral process.

I am in the process of working with RPNM to set up trainings beginning with Campaign Contribution Limits via ZOOM next month, then by the end of July I plan to set up another sidekick/GOP Data Base training – I have plans on a different training each month leading up to the election. Stay tuned for further information.

In July, New Mexico lawmakers will be called up to Santa Fe this summer to consider bills related to criminal competency, gun charges and panhandling. State lawmakers will consider new proposals for reducing “danger and risk” in the state. Senate Majority Leader Peter Wirth (D-Santa Fe) will focus on legislation that required more legal review, “namely: criminal competency, felon in possession of a firearm and panhandling.” the goal of the competency proposal is to address a shortfall in mental health treatment.

Literacy

At our fall meeting, the NMFRW will be donating a book to a local library in the name of one of our members. We need your help in selecting that member. If you or your club want to submit the name of a person to honor, please write up a few paragraphs exalting their accomplishments. Be sure to include their involvement with the New Mexico Federation of Republican Women. Email your submission to President Teresa Barncastle at t.barncastle@yahoo.com . Please submit by September 15, 2024. A copy of the book selected will also be given to the recipient. If you would like to sponsor that copy, please contact President Barncastle. Your name will be placed on the bookplate of the book.

Scholarship

Each year NMFRW awards a scholarship to assist a deserving female student to further her education at a college or vocational school in New Mexico. The value of the scholarship is \$1500, with \$750 being disbursed each semester. It can be used for tuition, room, board, books, fees or other enrollment requirements.

Applicants must meet the following requirements to qualify:

1. Be a NM Resident
2. Be a registered Republican or the daughter of a registered Republican if she is under 18.
3. Be a member of the current year's graduating class (including home school) and accepted for enrollment in an institute of higher learning in New Mexico. **OR** Be already enrolled as a full-time student in an institute of higher learning in New Mexico.
4. Have a 3.0 or better grade point average based on a 4.0 system.
5. Plan to study government, political science, international relations, or history. **OR** Show significant participation in political activities (i.e. Girl's State, student government, local or state government activities, working on election campaigns, etc.)

In January, NMFRW President Teresa Barncastle sent all club presidents a letter accompanied by a scholarship application which was to be shared with any Republican senior girls they thought would be a possible candidates. The deadline for submission of applications was April 5. The committee comprised of myself, Teresa Barncastle, Joan Boue, and Terry Marzili met via Zoom on April 12. We had three applicants who met all the requirements. A fourth applicant was eliminated because she was planning to attend a college out of state. Our criteria were their area of study, their political activities and other extracurricular and volunteer activities.

We are happy to announce that the winner is Dallye

Burge who will be attending Eastern New Mexico University. Dallye's application was very complete and professional appearing. Due to scheduling constraints, Miss Burge could not attend the NMFRW Summer Meeting. Therefore recognition was given at the CCFRW May meeting by NMFRW President Teresa Barncastle.

I am pleased to report that Chaves County FRW celebrated our 50th Anniversary at our luncheon in March. Our guest speakers were our five legislators who gave an update on the

In April we had 5 of our candidates in contested races speak to our crowd before the Primary.

May we featured 8 candidates who were in contested races we awarded 3 certificates & checks to the 8th grade winners of our Patriotism Contest from Gateway Christian School. We also presented (2) \$1,000.00 Scholarships to graduating senior ladies from Gateway Christian School.

Dona Ana County FRW

Since the NMFRW Winter 2024 meeting Dona Ana County has been heavily relying on the executive officers and board to cover my absence due me needing to be in Oklahoma to assist my mother. However, the club activities are marching on!

Although the club, as a whole, could use more engagement from our members in the election process we do have a dedicated band of sisters knocking doors, making calls, and participating in other activities for local and state candi-

dates. We have a few more ladies showing interest than in the past, but we hope to amp up our efforts at the precinct level beginning in August.

Our membership numbers have reached our 2023 level of 80, and we are now looking forward to surpassing our 2024 club goal of 85. We meet new faces at many of the campaign events that are popular these days, and that provides an entirely new pool of ladies to invite to our luncheons. The Zip Code Socials we started last year are catching on this year, and we are on track to hold several more of those get togethers in 2024 than we did in 2023. They are a proven method of helping existing members meet each other, helping newer members get plugged in, AND with recruiting new members.

Our fund-raising efforts are well underway. We have a

new t-shirt design for 2024 that we have also incorporated into tote bags. We have found that our Paint Parties are a fun and efficient way to engage members AND have fun while raising money with minimal

effort...we just show up, eat and have fun! Our most recent Paint Party even had attendees from Alamogordo and Los Lunas.

As is typical with an election year, we have had many candidates speak to our members and still have a few more to schedule ahead of the November elections. And, in the midst of local, state, and national elections, DACFRW is already working at getting our own club elections for the 2025 underway. We have a Nomination Committee in place, and are confident that the process will be done without any last-minute scrambling.

Lastly, I

must commend the members and leadership of DACFRW for being a great and gracious group of compassionate conservative women (despite reports from the left that we are a bunch of mean girls). And I am truly blessed to

have a leadership team

who, with grace, loyalty, and confidence, has stood in the gap for me during a very unexpected and challenging year.

have been busy this spring. We come into the summer with 18 members and 6 associates. In February, we had a Valentines Party: Dinner and Divinity Membership Drive. Pastor Murrell Howell from Eagle Nest Baptist Church spoke on God's Perfect Design for Men and Women. He and his wife also serenaded us with lovely worship music. We also sent Valentine's Day goodies to the Angel Fire Police department because we love that they keep us safe.

In May we held a meet and greet for the republican candidates for Colfax county district 3 county commissioner. We made conservative voter guide bags to distribute. We even made some for our Mora County members to distribute for June. We also took treats, a very needed and appreciated Ninja blender, and our thanks to the Angel Fire Fire Department in honor of International Firefighters Day.

In June, we celebrated Flag Day with a patriotic painting. ENFRW member Katrina Shirley guided us in painting an American flag skyline above a beautiful mountain setting. It was a great time to connect and we had many laughs.

Upcoming events include: taking part in the Angel Fire and Eagle Nest 4th of July parades, meet and greets, going door to door to distribute conservative voter guides, and a garage sale fundraiser.

During the legislative session we sent several emails on legislation and encouraged our members to make their voices heard and to visit the legislative website to stay up to date.

We had 22 members who were elected at the county Pre-primary to be delegates to the state Pre-primary Convention on March 3rd. At the Quadrennial convention held on April 7th we had 14 members attend.

Our programs included an update on the State of the NM Border and a Legislative Wrap up from our 3 House Representatives. Leanna Derrick did a program on How Progressives are Trying to Takeover New Mexico and really got our membership fired up to make a difference and honestly I haven't seen a response like in quite some time

if not ever. We had local Republicans with opposition in the primary speak and then had Paul Gessing from the Rio Grande Foundation come give us and update on the New Mexico Economy, Education and Constitution.

Our County Clerk attended a meeting and signed up 7 members to be voter registrars. We then joined the county party to have a booth at the annual Home & Garden Expo and also the Four Corners Oil & Gas Conference where we registered voters and recruited volunteers.

Currently we have 145 members. Lastly, I want to end that our 3rd Vice President in charge of Fundraising had a baby in April and so that was a first for our club to have a board member who was actually young enough to have a baby and the board and members were thrilled!

We continue to educate ourselves and others so that we can help elect Republicans to public office. We do this through our meetings, our FB page, and emails. We highlight news from NMFRW and NFRW, e.g. VCC programs & NFRW's "Support Our Border Agents" project (from Capital

tion, which every member receives). LAFRW members were delegates to the RPNM Pre-Primary and the Quadrennial. We support all RPLA events and the RPLA Chair is a member of LAFRW.

During the 2024 NM Legislature (Jan 16 - Feb 15) we sent out Calls to Action and petitions from Better Together New Mexico on many issues, including 2nd Amendment rights, and crime.

Since April, we have been sending out BTNM's online Not My Kid! petitions, opposing the "6 Bad Laws" passed in the 2023 legislature, for people to sign online. BTNM will use our thousands of online Not My

Some of us rallied with Riley Gaines at the Roundhouse on Feb 13 & many attended (and helped set up) HOPE Pregnancy Center's Chocolate & Chuckles fundraiser.

From Left: Mary Wilhoit (Chaplain), Dainne Coanne (President), Van Ann Moore, Trish Granich (Secretary), Cheryl Stead (Treasurer) and Linda Bullock (Vice-President)

On March 16 we were very grateful to Nancy and John Brenna who braved a snowstorm to

come to Los Alamos to present their excellent program on the "GOP Database." We invited Republicans from Taos, Santa Fe, and Espanola to join us, but the weather and their local activities prevented them from coming.

Van Ann Moore as Dolley Madison

On April 27 LAFRW celebrated our 70th Jubilee Tea which was a wonderful success! Van Ann Moore performed "Dolley Madison" for us. One woman renewed her membership & two new members joined our club. We presented our "Young Republican Woman" cash awards to two graduating seniors & we had great photos in our paper.

Our May 9 meeting speaker was David Reagor who is running for re-election to our County Council. We also collected snacks for our Police Appreciation Project.

We presented gift bags filled with snacks to the LAPD on May 17 in observance of National Police Week and we had a nice photo in our local paper.

We attended the LWV Candidate Forum and had a work party for David Reagor.

LAFRW members worked at the polls during the primary elections and we sent out a link for members to check their voter registration.

January of 2024 brought the legislative session and our club responded with hundreds of emails and calls to our legislators - encouraging them to stay strong or to vote for the good of the people. Since that time, we have brought in each of our Representatives and Senators to speak to us about their experience in the legislature this year, and their vision for the future.

We had many members of our club attend the Pre-Primary Convention and the Quadrennial and have 2 members of our club attending the National Convention coming soon.

We brought in most of our County Commissioners, county candidates, and both Paul Gessing and Virginia Gonzales recently. Our club is excited to begin bringing neighbors and friends again. And our membership has grown to 60.

We joined our County Party at their annual Flag Day event and brought the party with our Italian Soda Bar - this is a fun and simple way to uplevel any event and we had lots of activity at our table!

Our Treasurer moved to Arizona - the second one in a year to do this! But thankfully, we were able to secure Leyda Hahn as our new Treasurer and she is doing a wonderful job already.

Republicans candidates in contested primary, June 4th , races and the three Rio Rancho City Council seats up forelection in March. We also heard from Leanna Derrick about EMERGE/progressive Democratic office holders and Paul Gessing of the Rio Grande Foundation on major problems in New Mexico: excessive taxes, need for economic and educational diversification and low workforce participation!

Membership:

We had 42 full members in January 2024 but lost four members to non-renewal. Then we gained five new members for a net gain of one! So, we now have 43 full members as of June 2024. Our 2 nd VP, Felicie Truscio, and her assistant, Emma Apodaca, will have a membership drive in August and September! Thanks to Shona Neff, NMFRW 2 nd VP, for her inspiration and practical ideas! And for stopping in ABQ to visit with us at La Madeleine! Our goal is to have 50 members and 20 associate members for 2025!

Fundraising:

Every month our 3 rd VP, Berta Wagstaff, had a 50/50 raffle at our meetings. Some generous members donated their winnings back to the club or to one of our projects! Berta and her assistant, Sandy Hernandez, sold merchandise at our monthly meetings, mostly patriotic jewelry, including our crystal elephant pin! Our member, Michele Rainwater, presented a cabi fashion show and the club earned \$325. We have 10 members attending the NMFRW Gala Fundraiser this evening and donated a Jo Malone fragrance set and four Weck's restaurant gift cards to the silent auction! Members, including our former president and current Secretary, Saralee Wisner, have donated silent auction items for our Summer Candidate Fundraiser on August 24 th at former Republican candidate, Michelle Garcia Holmes Vineyard in Bernalillo!

Communications:

Our 1 st VP, Debra Maldonado, is posting our events on Facebook. Our youngest member, Rebekka Watkins, published three newsletters in April, May and June! Here's a poem from our May Newsletter!

Achievements:

We have built a strong and active Board of Directors! We participated in spreading the word and living out the Family Month Project from Anne Doherty, President of SFFRW! We are creating SBFRW business cards to help in marketing our club. Thanks to Denise Foor, President - ZIAFRW, for donating a prototype and Barb McClain, President - RRFRW for sharing her lovely FRW business card example! It is very helpful to have the monthly meeting information on the back of the card.

The club president, 1 st VP and member, Sylvi Burns, attended the RPNM 2024 Pre-Primary Convention in Albuquerque on March 1 st and 2nd. Our club has two member candidates: Ali Ennenga for NM House District 44 and Tanya Watkins for Sandoval County Clerk! Member Tonja Brandt's husband, Craig, is running for re-election to NM Senate District 40. Tonja sings the National Anthem at the opening of our monthly meetings! The club president attended three Nella Domenici for Senate events, including the Metro FRW luncheon on April 10 th at Tanoan Country Club, the U.S. Senator Pete Domenici Memorial Breakfast at Barel's Coffee House on May 7 th and the June 4th Primary Celebration at the National Hispanic Cultural Center. We donated \$50 to ZIAFRW for water bottles for the Memorial Day ceremonies in ABQ.

Goals:

We attended a RPBC event, the June 14 th Flag Day and President Donald Trump's Birthday Party! Our member, Emma Apodaca, volunteers at the Bernalillo County office. We plan to network more with the RPBC through her and John Rockwell, Chairman, and our Associate Member. We are still searching for a member to manage our website. In addition to the club business cards, we are hoping to create a membership invitation. Upcoming meetings will include developing talking points to assist our members in persuading friends, family and acquaintances to vote and to vote Republican (MAGA)! Our Treasurer, Christine Garcia, knows we need to submit our books to an audit or financial review. Our Secretary,

Santa Fe FRW

Since the Winter meeting, the Santa Fe FRW has been working diligently in three areas: membership, fundraising, and caring for America, in addition to our monthly meetings.

Since Santa Fe spearheaded the Caring for America Project for the state, details of our activities will be contained in that report.

As for membership, we gave a free potluck picnic, including games and candidate speakers; we are holding another ZIP Code social in July; and we are including membership as an incentive to donate at our major fundraiser in September. Meanwhile, we've lowered our membership fee until the end of the year. Researching our loss of members, we found two factors: 1. Finances – older women on fixing incomes cannot afford the luncheon prices, which have been going up. 2. Contentious politics - in highly liberal Santa Fe, Republicans make up about 5% of the population. Some are keeping their heads down in this hot political climate, while others feel alienated from the party itself.

Our upcoming fundraiser on September 28 at the La Fonda should be as exciting and unifying as we hope it is profitable. We are bringing Kyle Mann, the chief of the Babylon Bee, who will speak about "Free Speech, Comedy, and Censorship." In fact, the whole evening will be dedicated to free speech. To bring in as large crowd as possible and motivate them to vote, we are charging a mere \$35 for early bird tickets. VIP tickets are \$250 and include heavy hors d'oeuvres, free drinks, a terrific swag bag, a picture with Kyle and more.

As for our speaker luncheons, we've hosted Leanna Derrick, Paul Gessing, Nella Domenici and Sharon

Socorro County Federated Republican Women have been busy as usual.

We started the year a little rough, Gail Tripp the club president, had a medical episode that took her out for a few months. The February meeting was the calendar planning meeting with some great ideas for presentations and activities for the year. The March meeting was the meet and greet social with candidate Rebecca Dow, Representative Gail Armstrong and candidate Yvette Herrell. They gave us wonderful insight into their campaigns and hope for our state to be in a better position after the election. The July meeting will be a Saturday meeting with envelope stuffing the tickets for the Ice Cream Social in August and learning flower arranging from one of our own members who runs a flower shop, these will be the door prizes. We will have U.S. Senate candidate Nella Domenici as our main speaker, we also have Rebecca Dow and Yvette Herrell. We continue to encourage our Republican community to find candidates and speak up for our views. We look forward to the election in November with great hope that President Trump will be reelected. We will work hard with local candidates to get people to the polls.

Final Thought...

Tips for Getting Out the Vote from the National Federation of Republican Women.

Winning takes hard work, and is not achieved by accident or chance. We can make a difference in our communities. Here are the tips to consider.

Know the numbers—how many Republicans & Democrats are registered in your county? How many Independents or DTS do you need to win to win the battle?

Know the Data—you must have reliable voter information to be successful. How clean are your voter rolls?

Know the Voters—If they support your opponent spend your resources elsewhere. Focus on knowing who is supportive and limit turnout efforts to those voters.

Know the time—plan to turn voters out at the right time. Understand most voters truly engage just days before an election occurs. Don't ask for action when no action can be taken.

Know the Team—Know your volunteers strengths and use them where they can make the biggest difference. A happy team is a productive team.

Know the Rules—take time to learn the campaign rules for your area and educate volunteers before you start. Good media coverage is the best media coverage.
